

Aria Wedgeless Window Fastener

INTERLOCK™
ASSA ABLOY

ASSA ABLOY, the global leader in door opening solutions.

With its innovative wedgeless design this quality window fastener from ASSA ABLOY has the styling features of Aria and complements modern joinery. Designed in high and low profile options, this fastener covers a range of applications, from the awning window in a kitchen to the window that sits behind an open sliding door. This fastener can also be matched to other products throughout your home such as a venting window fastener or even your door handle simply by using the same Aria styled fastener.

Features

- This easy to install and operate window fastener combines innovation and simplicity with style
- High quality pressure die-cast main body with colour-matched injection moulded integrated nylon wedge
- Quality Interlock friction joint providing tested and proven durability
- Smooth solid handle with modern styling
- Available with 6mm backset (frame upstand to sash face)
- New Zealand made

Options

- High profile and low profile available (for use in by-pass situations)
- Left and right-handed models available
- Available in a wide range of powdercoat colours and satin chrome finish
