

Multi-bolt Window Bolt

INTERLOCK™
ASSA ABLOY

ASSA ABLOY, the global leader
in door opening solutions.

The Multi-bolt is designed for safe bolting or deadlocking of timber, aluminium or uPVC single or double hung sash, awning and casement windows.

Features

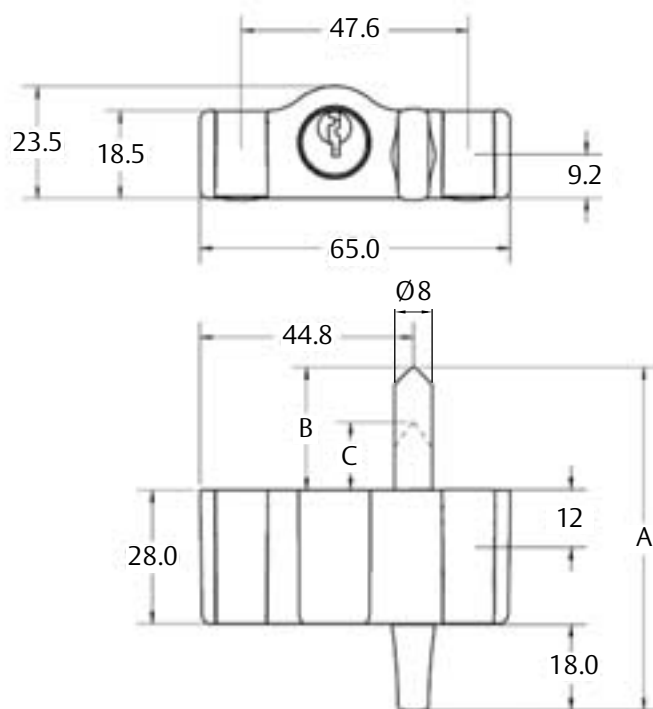

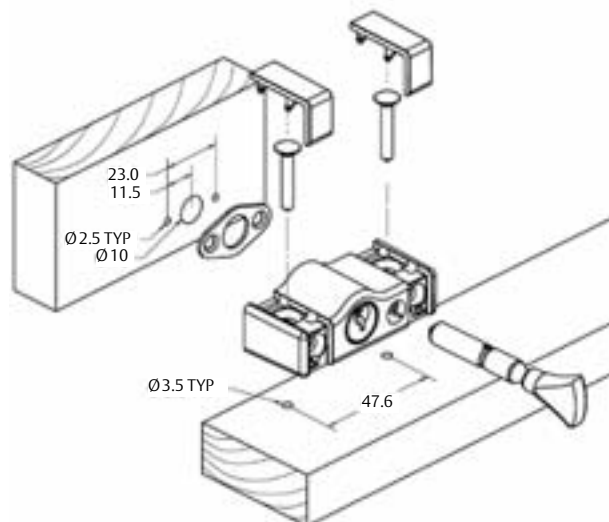

- Robust lock body for maximum strength, and secure deadlocking
- Bolt can be engaged with or without locking cylinder
- One way fixing screws come standard for top security
- Easy to install
- Bolt can only be removed from the lock body by the key holder
- Can be keyed alike to other ASSA ABLOY CYL4™ locks for one key convenience
- New Zealand made

Options

- The standard bolt length is 106.5mm
- The short bolt length is 71.5mm
- The standard bolt thrown length is 61mm and the unthrown length is 30.5mm
- The short bolt thrown length is 26mm and the unthrown length is 3.5mm
- Available in a range of colours to complement any window design and finish
