

# Ventlock Window Bolt

INTERLOCK™

ASSA ABLOY

ASSA ABLOY, the global leader  
in door opening solutions.

This unique product is specifically designed to provide additional security to horizontal sliding windows. The easy to operate deadlocking Ventlock allows a pin to be inserted into the frame of the sliding window in a number of positions providing a deadlock.

## Features

- Secure deadlocking bolt for top security
- The versatile design allows for compatibility with most window suites
- Simple to install
- Concealed fixing screws
- Easy to operate by the press of a button
- Can be keyed alike to other ASSA ABLOY CYL4™ locks for one key convenience
- New Zealand made

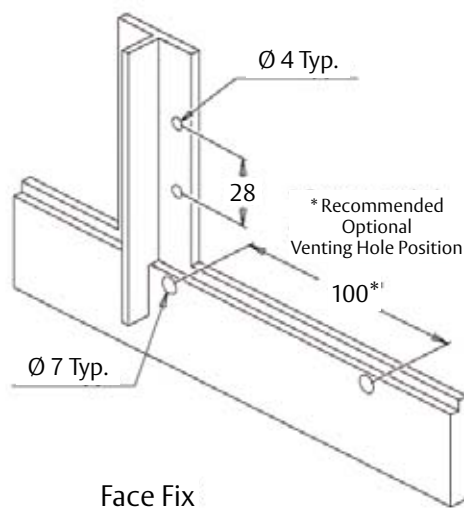

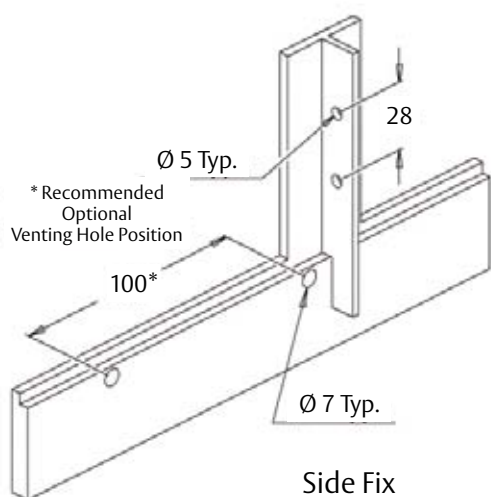

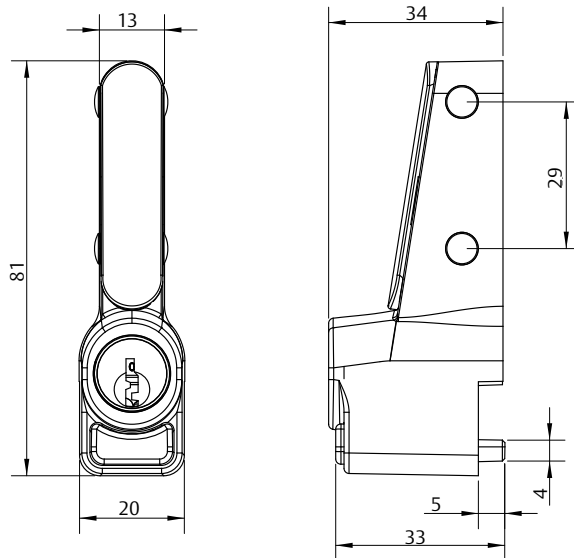

## Options

- The base of the Ventlock is designed to allow for face fixing or side fixing
- Available in a range of colours to complement any window design and finish
