

# Albany SBML 4-Point

INTERLOCK™

ASSA ABLOY

ASSA ABLOY, the global leader  
in door opening solutions.

Combining the very popular Albany furniture styling with a concealed mortice style lockset, the Albany Mortice range of locks offers the ultimate in residential sliding door hardware. The high security 4-point locks are simple to operate, incorporating a one-action lock or unlock mode, and can be supplied in a wide range of finishes and keying options. Suitable for use with aluminium, timber or uPVC horizontal sliding doors and windows.

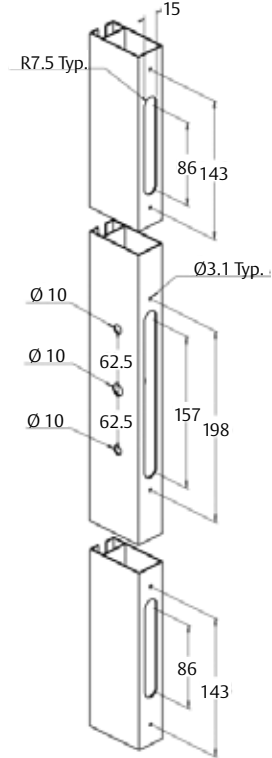

## Features

- The high security 4-point lock provides an extremely high level of resistance to forced entry
- Contemporary styling combined with the concealed morticed lockset provides enhanced aesthetics
- Fully reversible for left or right-handed doors
- Four locking beaks prevent door being lifted from the track
- One locking action activates up to four locking points
- Anti-slam button prevents operation of the handle when the door is open, avoiding damage to the mechanism
- Unique red indicator on the deadlock shows when the door is unlocked
- Can be keyed alike to other ASSA ABLOY CYL4™ locks for one key convenience
- New Zealand made

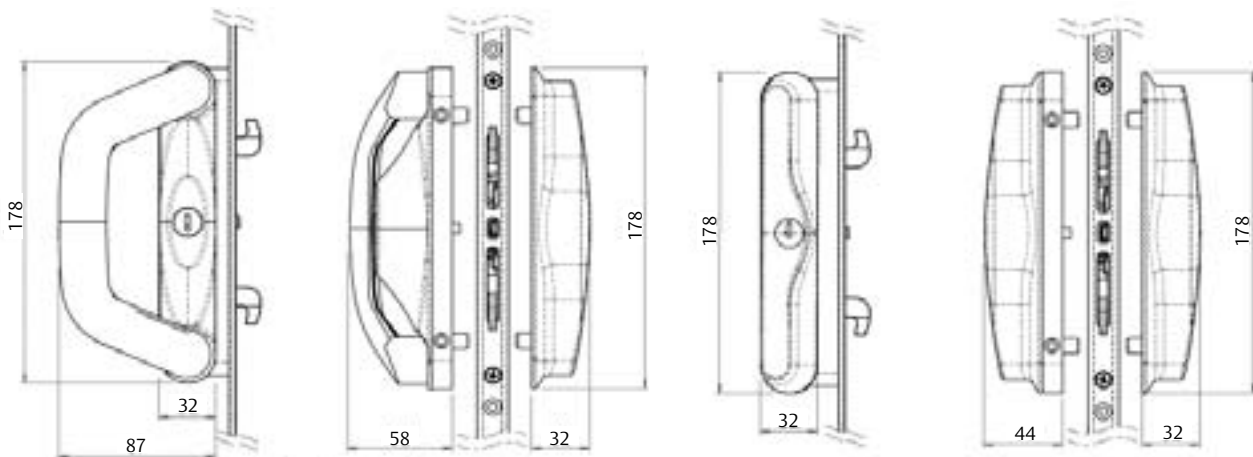

## Options

- Double cylinder deadlocking with Daylatch
- Single cylinder locking with snib
- Additional locking options available
- Available in a wide range of powdercoat colours and satin chrome finish
