

Aria Endeavour Sliding Door Lock

INTERLOCK™
ASSA ABLOY

ASSA ABLOY, the global leader
in door opening solutions.

Suitable for use with aluminium, timber or uPVC horizontal sliding doors, the Aria Endeavour Surface Mounted Sliding Door Lock incorporates enhanced security and safety features. Styling cues are taken from the Aria design, enabling a consistent look throughout the home.

Features

- Red deadlock indicator on internal handle activates when key deadlocked (deadlocking version only)
- Opposing anti-lift beaks for added security
- Anti-slam pin protects locking beaks from accidental damage
- Retrofittable - easily replaces most sliding door locks
- Non-handed lock chassis with intuitive downward snib motion to unlock
- Available with internal D handle or internal Pull
- Can be keyed alike to other ASSA ABLOY CYL4™ 5-Pin locks for one key convenience
- Achieves Australian Standards AS4145:1993 (Part 2) Security Level S1 and Durability Level D3
- New Zealand made

Options

- Double cylinder deadlocking with Daylatch and deadlocking indicator
- Single cylinder locking with snib
- Trade pack range has additional locking options with D and Slim Pull handles, in a full range of powdercoat and plated finishes
